

Rockwell Parts

Rockwell Parts - AxleTech International is a premier dealer in the world of specialty vehicle drive-train systems and parts along with off highway vehicles. The company prides itself on being its clients' preferred supplier. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working within an atmosphere which encourages the highest integrity with empowered collaboration, together with a unyielding pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of environmental stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with any comments or questions, since they are happy to share and promote this policy with a greater knowledge of their efforts. They are really dedicated to improving and preserving the natural environment. AxleTech has an EHS program that not only protects the environment but which even actively protects their workers and neighbors also.

AxleTech specializes in the designing and manufacture of planetary axles for both commercial and military applications, that may include anything from airport ground support to construction equipment. They take great pride in being an innovative drive-train solutions provider as well. AxleTech specially designs axles to meet specific application demands. They have over one thousand various axle specs within their present offering. With more than one hundred years of experience and history, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The company is well known in numerous military and commercial applications. They offer complete axle assemblies used for aftermarket replacement requirements, along with servicing axle needs for OE production. Their high mobility ISAS have further details which can be seen in the "ISAS" product selection.
