

American Lincoln Parts

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are recognized within the business as providing durable and strong machinery which suits all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide warranty service, equipment and components for these types of scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency matter. Lately, this floor scrubber model has been used by the architects in various construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on location due to the model's supreme performance level and high standard of quality for polishing concrete.
