

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it would really be to clean up your house right after having a large party, without aid from cleaning equipment. Before, the time upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the state-of-the-art cleaning materials back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in the year 1906, he started to produce motors to be able to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's dream from the beginning was to own a worldwide business marketing goods worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one person. This creation came in a time where numerous cleaning equipment were huge and required 4 or more operators, hence, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing crisis; stuff get dirty and should be cleaned on a regular basis, without a lot of effort.

Slowly but progressively, Nilfisk-Advance grew throughout the years. During the 1980s, this expansion actually took place the time the business became a part of the NKT Group. Their new owners' ambition and focus made Nilfisk-Advance take a huge leap forward within the trade, aiming to be amongst the biggest international players in the market of professional cleaning machines. Nilfisk-Advance is now found in all parts of the world by steadily acquiring numerous smaller companies to be able to develop their product selection and presence in new markets. They are really proud to provide a range of cleaning solutions to meet each need.
